- 5.0 Club Eligibility
- 5.1 Only those Clubs that have paid the NLD Annual Subscription and any appropriate Domestic Union annual subscription shall be permitted to play in any competition.

Clubs are to make contact to arrange fixtures by the play by dates stated by the committee. It is both clubs responsibility to make contact and to arrange fixtures , difficulty in contacting a club should be identified to the NLD Competitions Secretary immediately to ensure play by dates are adhered to. Once the clubs have arranged a date they should inform the Competitions Committee Secretary.

7.0 No Club shall be permitted to enter more than one competition in any one season.

8.0 Player Availability

8.1 A player may only play for one Club in any one season in The Competition. Players may not play in The Competition if they hold effective registration [as defined by The English Clubs Championship Rules] for any Club other than the Club that they intend to represent in The Competition. All players must be bona-fide members of the Club they represent in The Competition.

8.2 Clubs shall forward a list of their playing squad for each match within 72 hours of the fixture to the Competitions Secretary, either by e-mail to milleradmiller@aol.com or by post to Dave Miller, NLD Competitions Secretary, 37 Rosemary Drive, Alvaston, Derby, DE24 0TA. Match cards are available on the NLD website for this purpose.

The NLD Competitions Committee may at any point refer to the lists of playing squads during the Competition, or after if investigations need to take place. These investigations do not need to be instigated by a club. If a club does not supply its list of players within 72 hours of the fixture being played they may be disqualified from the competition.

8.3 Clubs failing to fulfil fixtures may at the discretion of the Competitions Committee be barred from entering competitions in the following season.

8.4 Breaches of 8.1 or 8.2 will result in disqualification of the offending club from The Competition and may incur suspension from further season's competitions.

9.0 The Vase competition shall include a Preliminary Round as necessary to provide sixteen Clubs in the First Round of the Vase competition.

10.0 Cup, Shield, Plate and Vase competition matches shall all be played before or on the designated dates. The nature of the RFU structured season may mean that league games (scheduled or rearranged) or RFU Midlands knockout games prevent this. The club who cannot fulfil the fixture should immediately inform the Competitions Secretary in this case. In such circumstances the game is to be rearranged and this may include playing on Sunday or midweek. If the clubs cannot agree on a date then the Competitions Committee reserves the right to impose a date. Clubs will be expected to fulfil these rearranged dates and playing strength and unavailability of players is not accepted as a reason as to why a fixture cannot be played.

10.1 For the sake of clarification, even if a club has requested an RFU "non-playing" league weekend they may still be required to fulfil an NLD knockout match on this weekend.

11.0 All Finals will be played on the date agreed by the NLD Competitions Committee.

- 11.1 In the event of a club being unable to play a final on the designated date due to a re-arranged RFU league or play-off fixture the Committee may agree to the match being played on another date. This will nominally be the evening of the Weds following the designated date unless mutually agreed otherwise by the two clubs and the Committee. In the event of a club being unable to play on the designated date for this reason they should notify the Competitions Secretary at least three weeks before the due date of the finals.
- 12.0 Each round of each competition up to and including the semi-finals shall be the subject of a separate draw. No less than three members of the Competitions Committee shall make all draws.
- 13.0 Determining the Result
- 13.1 If a match is a draw after the completion of 40 minutes of play each way, then extra time of 10 minutes each way shall be played with a 1 minute interval.
- 13.2 If the scores are then still level, the team that has scored the most tries shall be the winner.
- 13.3 If this does not produce a result, then the team that has scored the most goals from tries shall be the winner.
- 13.4 In all but the final, if none of the above produces a winner, the visiting side (as defined by the initial draw) shall go forward to the next round.
- 13.5 In the final, in the event of rules 13.1 to 13.3 failing to produce a winner, the trophy shall be shared, and where appropriate, a coin will be tossed to decide which side is proposed for competitions in the following season.
- 13.6 If any fixture is unable to be played through to a conclusion for any reason (e.g. weather, serious injury, etc.) the NLD Competitions Committee will determine whether the score at the time of the stoppage will stand or the fixture will be replayed.
- 14.0 NLDRFU Referees Society is responsible for the appointment of referees to all matches. In addition, at the request of the Competitions Committee, the NLDRFUSR has the authority to appoint "teams of three" to any match with the two assistant referees having full authority in accordance with the Laws of the Game.
- 15.0 In the event of a clash of colours, the Home team shall be responsible for changing its colours.
- 16.0 In the event of a clash of colours in any Final, the team holding the higher place in the RFU League structure, at that time, shall be responsible for changing its colours. Where neither club is in the RFU League structure, the team travelling the shorter distance to the Final venue from its home ground shall be responsible for changing its colours.
- 17.0 In all rounds of the competitions other than the finals not more than three replacements or substitutes (eight interchanges) are permitted for the Cup and Shield and not more than five replacements or substitutes (ten interchanges) for the Plate and Vase. In the finals seven replacements or substitutes are permitted (twelve interchanges). If it is a double header with a league fixture the league regulations will apply including extra time if played.
- 17.1 In the interests of safety each team playing in each match in the competitions must have at least five players in their nominated match squad, all at least eighteen years old, who are suitably trained and experienced to be capable of playing in the front row to ensure on the first or second occasions (whether due to injury or consequent to a player(s) being temporarily suspended or ordered off) that a front row player is required to be replaced, the team can continue to safely play with contested scrums.

- 17.2 If in a match on the first or second occasion any front row player requires to be replaced and his team cannot provide a suitably trained and experienced replacement player at least eighteen years old to play in such a position in the front row to enable the teams to continue to safely play with contested scrums the referee, having made enquiry of and confirmed of this fact with the Captain (or such other person nominated by the club as the manger or person responsible for the team), the match shall continue with uncontested scrums and will be subject to Regulation 17.6 below.
- 17.3 Subject only to the proviso contained in Regulation 17.4 below if in any match in a competition on the third or subsequent occasion any front row player requires to be replaced and his team cannot provide a suitably trained and experienced replacement player to enable the teams to safely play with contested scrums the referee, having made enquiry of and confirmed of this fact with the Captain (or such other person nominated by the club as the manger or person responsible for the team), the match shall continue with uncontested scrums, and subject to Regulation 17.6 below, the result will stand.
- 17.4 Where a player or players is/are temporarily suspended from the field of play (which includes a blood injury) which creates a third or subsequent occasion that a front row player needs to be replaced and his team cannot provide a replacement or other suitably trained and experienced player to enable the teams to safely play with contested scrums the referee, having made enquiry of and confirmed of this fact with the Captain (or such other person nominated by the club as the manger or person responsible for the team), of the side affected the match shall continue with uncontested scrums (but such uncontested scrums shall only continue for the duration of the temporary suspension). The match result will not be deemed to be invalidated by reason of part of it being played with uncontested scrums.
- 17.5 If, on any occasion the referee has to order uncontested scrums due to a lack of suitably trained and experienced front row players then the team causing this shall not be allowed to replace the player leaving the field. For the sake of doubt, this still applies even if the team have interchanges remaining.
- 17.6 The Competitions Committee will review the circumstances in every case where a match in a competition is completed with, or contains a period of uncontested scrums. The NLD Competitions Committee shall have the final decision on the result of the match and all such decisions shall be binding on all participants. It is the responsibility of both clubs to contact the NLD Competitions Committee in such a situation advising of:
- When during game uncontested scrums were called
 - The reasons for uncontested scrums being called
 - The points score at that time

In the event of a mutually acceptable "early" date not being agreed the match shall be played on the specified date. It is the responsibility of each club to provide a side and replacements to fulfil the fixtures by the allotted date for the round they are playing in. If clubs cannot mutually agree a date the match will be played on a date determined by the NLD Competitions Committee, failure to fulfil the fixture on that date will result in elimination from the competition of one or both clubs.
- In the event of a dispute between clubs the Competitions Committee Chairman and two other Committee members shall form an Appeals Committee to adjudicate. Members will be chosen to reflect County representatives other than those of the clubs in dispute plus another representative from the committee independent of any league of those of the clubs in dispute.
