**Summary of Essential Elements of Referee Report:**

Details from referees report - The red card was issued following a second yellow card for the player (number 21 for Boston). The first offence was following a team warning for multiple penalties and was awarded in the 33rd minute in the first half. This was for an infringement at the breakdown being offside (Law15.4). The second yellow was for playing the ball from an offside position (Law10.1a) after a player had last played the ball behind him and the picked up the ball in front of that player. The second yellow was given in the 73 minute and then consequently a red was issued.
