Summary of Essential Elements of Referee Report:

With 32:22 minutes gone of the second half of the game, Long Eaton were attacking within 10m from the Ilkeston try line. Long Eaton were dominant in the last 15 minutes of the game playing running rugby and getting the ball wide where possible. The ball was passed wide to the right wing, where Ilkeston 2 was stood in the defensive line and reached out to intercept the pass with his left arm, and knocked the ball on, preventing a probably try by LE. I had no option but to give Ilkeston 2 a YC for the offence. I was parallel to the incident and had a clear line of sight.

Ilkeston 2 had received a YC earlier in the game for offside, which was the 4th penalty offence against Ilkeston in their 22. As this was Ilkeston 2's second YC, I had no option but to give the player a RC, and award a penalty try to Long Eaton.

Ilkeston 2 chatted with me after the final whistle and apologised.

Summary of any mitigating and aggravating features			
As this was for two technical yellow cards and the sanction is a sending off sufficient, there is no mitigation to reduce the penalty. It is noted that the player has spoken to the match official and apologised.
