

NLD Club Development & University festivals

Rugby festivals for club development and university players

1. A chance for young club players to be in matches with team members and opposition who are the same age and similar physique.
2. Playing with friends (for younger club players if they have been split between different club teams).
3. Extra playing opportunities for students
 - a chance to play teams from outside their universities.
4. Opportunities to play at new venues and to make new friends.
5. Opportunities to encourage students to play club rugby after university.
6. Opportunities to link university leavers with local clubs.
7. Development opportunity for young match officials
